

Create Customer's Trimble Catalyst Account	
	On your laptop, login to Trimble Connect https://web.connect.trimble.com/
	Click on 'Create a Trimble ID' Select United States, then 'Next'
	Fill in 'First Name', Last Name', and 'Email' and check the box to agree to their terms. (Note that you will get an email once you register) Click the 'Agree and Continue' button to continue
	Check your email. Trimble will send a verification code for you to complete the registration. Enter the code sent via email and create your password. Once your password is created you will be able to log in at the Sign In screen.
Once your account is setup, let Turflux know so we can link your account to the Project created for your account.	
If someone on your staff is planning to assist in mapping, or if you are planning to rent or buy a DA2 Mapping Kit, have your staff download the following mapping apps on their phone
